Volunteers

We are still the body of Christ:

- During this time, it is important for us to act like the body of Christ through intentional care for one another, especially for the more vulnerable amongst us.
- Be in contact with people in the body - check in with to see how they are doing.
- Pray for each other.
- If you know of a need within the body, please let us know so that it can be addressed - we can help deliver groceries, medicines, or other things as needed.
- Be creative in how you use technology to engage with each other.

AEFC Family

Private Facebook Group

We have added a private Facebook Group called AEFC Family. This does not replace our Church's Facebook page that anyone can view. You will have to be a member to look at the private group page. This is another way to communicate with one another more privately. If you'd like to join, please let me know.

We Miss You!
