### Bible Study Training

To dive deeper into  
the Scripture ...

Sunday, Sep 14

3:00 pm - Lighthouse

Have you ever wanted  
to read and understand  
but just couldn't get  
much out of reading?  
Have you ever won-  
dered how Brock or  
someone else can see  
things in a different  
light than you do? If

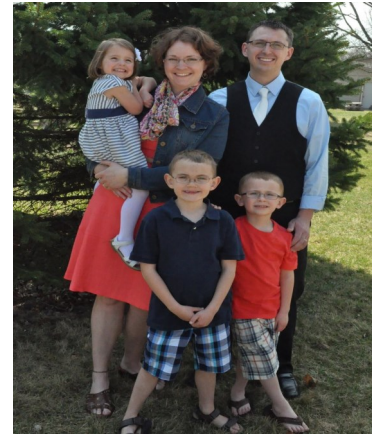

either of those things are or have ever been true,  
then this is something you don't want to miss! There  
is nothing magical about studying the Bible, but  
there are some steps that you can take to help your  
understanding of the Bible deepen.

Please help to  
keep children off  
the stage and out  
of the sound  
booth area. The  
buttons and cords  
are inviting, but  
troubleshooting  
can be challenging  
to have the sound  
system working  
properly. Thank  
you for your help.
